

LHHI 2011

LHHI stands for Light Harness Horse Instructor and the list below features those who have achieved LHHI status. They are not the only carriage driving instructors in the UK, but LHHI certifies that a formal teaching qualification has been achieved. Those marked with an * are not LHHI's but have attained the BDS Preliminary Teaching Exam.

c.o.a. (contact on application) - For those LHHI who have not given contact details, please deal directly with the BDS Office on 01473 892001
